At Angels of Africa, our work is inspired by the historic Christian belief that faith calls us to serve others with humility, compassion, and love. We believe that true faith cannot remain passive; it must be lived out through practical service that restores hope, promotes well-being, and empowers vulnerable communities to thrive with dignity.

*"You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the flesh; rather, serve one another humbly in love." — Galatians 5:13*

The following core Christian beliefs are the foundation for everything we do, inspiring our commitment to provide life-giving development, protect the environment, and deliver practical assistance to those who need it most.

### STATEMENT OF FAITH

- **The Word of God:** We believe the Bible is God's inspired, authoritative Word, serving as the foundation that guides our work and turns our beliefs into practical service. (*2 Timothy 3:16*)
- **The Trinity & Creation:** We believe there is one God, eternally existent in three persons: Father, Son, and Holy Spirit. As Creator, He calls us to responsibly steward the natural resources and environments that sustain communities. (*Matthew 28:19*)
- **Jesus Christ:** We believe in the deity of our Lord Jesus Christ, His sinless life, His miracles, His atoning death, His bodily resurrection, His ascension, and His personal return. He is our Lord and Savior, and the ultimate example of humility, compassion, and love. (*John 14:6*)

- **The Holy Spirit:** We believe in the present ministry of the Holy Spirit, who indwells, guides, and empowers believers to live godly lives and actively serve a world in need. *(Romans 8:11)*
- **Faith in Action (*Chukua Hatua*):** We believe that true faith demands action. We are called to follow the example of Christ by extending practical help, walking alongside the vulnerable, and turning personal belief into community transformation. *(James 2:17)*
- **Community & Provision:** We believe in the spiritual unity of believers partnering together to foster resilience, promote health and education, and bring life-giving development, symbolized by the biblical tradition of wells providing life and renewal. *(Hebrews 13:16)*

### **Turning Faith into Action**

Our Statement of Faith is more than a declaration of belief; it is the driving force behind our mission. Guided by these truths, we invite you to partner with us as we turn compassion into practical service, bringing life, dignity, and hope to communities across Africa.
